

The Seed Box

The Seed Box Ltd is a Social Enterprise and which registered as a Company Limited By Guarantee in April 2013. The Seed Box also became a Scottish Charity in March 2020. We provide horticultural training and outdoor therapy to adults with additional support needs. The aim is to promote independence and life skills to enable clients to move into employment, sheltered or otherwise.

To ensure that The Seed Box operates with the intention it was set up for, we require an active membership and a Volunteer Board of Trustees.

The Memorandum and Articles of Association can be viewed on our website www.theseedbox.org.uk

The benefits of being a member of The Seed Box will be:

- The ability to influence the services The Seed Box provides and its strategic direction.
